PRESS RELEASE

FOR IMMEDIATE RELEASE

TEMCO SERVICE INDUSTRIES, INC. APPOINTS HENRIK THOMASSIAN PRESIDENT AND CHIEF EXECUTIVE OFFICER

New York, New York, July 24, 2007, Temco Services Industries, Inc. (OTC-Symbol: TMCO), announced today the appointment of Henrik Thomassian as President and Chief Executive Officer. Mr. Thomassian succeeds Herman J. Hellman who will continue as Chairman of the Board of Temco.

Mr. Thomassian most recently served as Chief Operating Officer and will continue to serve as Chief Financial Officer until a successor can be found. Mr. Hellman stated that “since joining Temco in August 1999, Mr. Thomassian has exhibited leadership qualities and expertise in every facet of his responsibilities and has been instrumental in helping to maximize the development of Temco’s European operations. In addition, we believe he will provide the operational leadership to manage our global organization and fully capitalize on the opportunities that lie ahead.”

About Temco Service Industries, Inc.

Temco is a major international provider of facility support services to corporate, commercial, manufacturing and educational facilities in the United States, Belgium, The Netherlands, Luxembourg and the United Kingdom. With revenues in excess of \$320 million and more than 10,000 employees, Temco provides cleaning, grounds care, labor sourcing solutions, technical support and security services to thousands of clients each day. Temco Service Industries, Inc., the parent company, is headquartered in New York City, while the European operations are headquartered in Brussels, Belgium.
