PRESS RELEASE

FOR IMMEDIATE RELEASE

TEMCO SERVICE INDUSTRIES, INC. APPOINTS RENE JACOBSEN EXECUTIVE VICE PRESIDENT AND CHIEF OPERATING OFFICER

New York, New York, November 2, 2007, Temco Service Industries, Inc. (OTC-Symbol: TMCO) announced today the appointment of Rene Jacobsen as Executive Vice President and Chief Operating Officer of the Company. Mr. Jacobsen succeeds Henrik Thomassian who was recently appointed President and Chief Executive Officer of the Company.

Mr. Jacobsen most recently served as President and Chief Operating Officer of the Company's European division, a position he held since joining the Company in July 2006. Prior to joining the Company, Mr. Jacobsen held executive positions in major facility management and service companies in Europe and the United States over the course of his nearly 20-year career.

Mr. Thomassian stated, "Since joining Temco, Mr. Jacobsen has exhibited leadership and expertise across the Company's various European operations, and we have confidence in his ability to lead the Company in his new role as Executive Vice President and Chief Operating Officer of the Company's worldwide operations."

Herman J. Hellman, Chairman of the Company's Board of Directors, added, "Mr. Jacobsen has reinvigorated and improved the Company's extensive European operations in his relatively short time with the Company, and under the supervision of Mr. Thomassian, we look forward to gaining the benefit of his experience and expertise in the United States as well."

About Temco Service Industries, Inc.

Temco is a major international provider of facility support services to corporate, commercial, manufacturing and educational facilities in the United States, Belgium, The Netherlands, Luxembourg and the United Kingdom. With revenues in excess of \$320 million and more than 10,000 employees, Temco provides cleaning, grounds care, labor sourcing solutions, technical support and security services to thousands of clients each day. Temco Service Industries, Inc., the parent company, is headquartered in New York City, while the European operations are headquartered in Brussels, Belgium.
